

## vacumat 44 T

Mains-powered wet tub vacuum cleaner

### Key features

- Improved productivity
- Excellent suction performance
- Ergonomic operation
- Robustness and durability

### Improved productivity

Medium-to-large-sized areas can be cleaned up to three times faster compared with conventional wet / dry vacuuming methods. Used together with a TASKI ergodisc for basic cleaning tasks such as stripping or wet scrubbing leads to significant productivity increases. This results in total cost efficiency and convenience for the operator.

### Excellent suction performance

The fixomat squeegee ensures efficient water pick-up and gives streakfree, excellent drying results. For cleaning of spillages, small areas or any other customer-specific need, the machine can be equipped with a variety of accessories for wet and dry cleaning.

### Ergonomic operation

The tilt system and comfortable handle grip on the container makes emptying of the container ergonomic and easy. The adjustable handle ensures comfort and ergonomics during operation.

### Robustness and durability

A specially-designed mechanical float system with a dual filter guarantees double protection of the motor unit and significantly prolonged service life. The canister, which is resistant to shocks and chemicals, ensures high durability.

# vacumat 44 T

Technical data			
Container capacity: wet	44 L	Dimensions (LxWxH)	830 x 530 x 930 mm
Container capacity: dry	44 L	Cable length	15 m
Container volume	70 L	Wheels	2
Squeegee width	64 cm	Wheel diameter	200 mm
Weight with cable	23 kg	Castors	2
Sound level	67 dB(A)	Castor diameter	75 mm
Nominal consumption	2 x 950 W	Protection class	II
Vacuum	2 x 22 kPa	Approvals	CE/CCA Cenelec
Max airflow	2 x 50 L/s		

*The above data is typical of normal production and should not be taken as a specification.*

## Product

TASKI vacumat 44 T (incl. trolley; without fixomat squeegee)

Accessories / additional parts	SKU Number
Fixomat squeegee set	8505420
Wet vacuuming kit – premium	8504480
Wet vacuuming kit – standard	8504490
Aluminium nozzle with fixed squeegee blade	8500490
Plastic nozzle with fixed squeegee blade	8502390
